

Skjolden Hotel is right at the end of the Lustrafjord.

Drive to Skjolden hotel

We always say, Skjolden hotel - worth the journey, but the journey itself is quite fantastic if we might say so ourselves. All the roads leading to Skjolden are either part of the National Tourist Route Sognefjellet, or the spectacular Tindevegen mountain road, or the magnificent "Romatic Road" including the Urnes ferry boat from Solvorn to Urnes.
